

Vote David Burnside for CUFC President

Who am I?

For those who don't know me, I'm a (soon to be) 6th year medic from Robinson College. I have been an avid fencer since the age of 11, and have represented Northern Ireland and Ireland at an international level. I have been a part of CUFC throughout my studies in Cambridge, and have previously acted as club treasurer. I am really keen to continue the awesome work of the exiting committee, and believe I make an excellent candidate.

Why me?

- I have a vast array of fencing experience, including at a university level, having represented Cambridge for 5 years.
- Past committee experience, giving me an insight into the role.
- Experience with running my home club as assistant coach
- My degree has enhanced my team work, communication and organisational skills

What are my goals?

If elected, I will:-

- Ensure that the club caters as best as it can for all members, regardless of experience level
- Liase with the rest of the committee to give them clear direction
- Endeavour to provide a friendly face and an open ear for feedback/ suggestions from all club members
- Strive to continue the excellent work of the club, and ensure it is positioned well for the future

To sum it all up...

Vote David for President and I will give my all to ensure that CUFC is better than it has ever been!
